

13 October 2026

Paragon Group

("Paragon" or "the Group")

Release of Full Year Results 2026

Paragon, a leading global business services provider in brand services and outsourced services, has today released its Annual Report and Audited Consolidated Financial Statements (Annual Report) for the year ended 30 June 2026. The results reflect a strategically progressive and financially stable year, with the Group delivering resilient underlying performance while completing a significant organisational transition.

Financial highlights for the year include (all on a constant currency basis):

- Group revenue was stable, with an incremental increase of 0.6% to €1.12 billion.
- Underlying EBITDA increased 6.2% to €129.1 million.
- Brand Services delivered strong revenue growth of 10.1% to € 523.6 million, while Outsourced Services saw underlying EBITDA rise 12.7% to €97.2 million.
- The Group has ample liquidity with over €80m in cash and bank overdrafts and a readily accessible revolving credit facility.

Paragon's financial results are in line with expectations and demonstrate the Group's long-term resilience and the critical nature of the services it provides. The Group ended the period having transformed its cost base, moved to a new divisional structure, and successfully completed three acquisitions while disaggregating the legacy print and mail business.

Paragon is well-positioned for future growth, with major client renewals this year, momentum from new business wins in the second half, and a record pipeline across both divisions entering the new financial year.

The Annual Report is available [here](#) on the Group's Investor Relations site.

Presentation and Conference Call

In conjunction with the publication of the Annual Report, the Group's management will host a live presentation today (13 October 2026) at 09:30 BST. Register your attendance for the webinar by using this link: <https://webcast.openbriefing.com/paragon-fyr-26/>

The presentation will be followed by a Q&A session, accessible through the Conference Call Dial-in details. To register for the Q&A session, use this link:
